THE EUREKANS GIVE PLAYLET

Eurekans Give Playlet in Assembly —
Double Quartet Entertains Be-
tween Scenes.

"Yes, we are going to have a special program this morning. Oh! its the Eureka's! See the blue and white decorations."

"A Set of Turquoise," a little playlet in two scenes as presented by three members of the Eureka Literary Society, November 18, was the occasion of the above remarks.

The first is a moonlight scene in which the Count of Lara and Beatrice, his wife, are talking of the beauties of the night. Beatrice tells him that he does not love her as he should or he would purchase a certain "set of turquoise," consisting of eardrops, necklace and bracelets, for her. Finally she wagers the "rarest kiss that she can give" against the set of turquoise that within a month he will be "so jealous and without cause" that he will ache to kill her. He accepts the wager for he thinks he is not a jealous man. He sees a page go to the villa.

Soon he talks with the page and learns that a note from some gentleman has been taken to his wife by this page. This arouses his curiosity and he fears that he is becoming jealous.

The second scene is in the Countess' sleeping room. The Count comes into the room prepared to stab his wife but she looks so beautiful that he delays for a moment. She awakens and asks why he is there with the knife. She realizes that he is becoming jealous. She calls her maid, Miriam. He recognizes the page, for Miriam has been disguised in order to aid the Countess in her scheme. The Countess wins the wager.

Between the scenes the audience was entertained with music by a double quartet composed of Misses Izora Mutz, Blanche Criswell, Vida Heflin, Jessie Ewing and Messrs. Gerald Shirley,

(Continued on page four)

Thanksgiving Observances

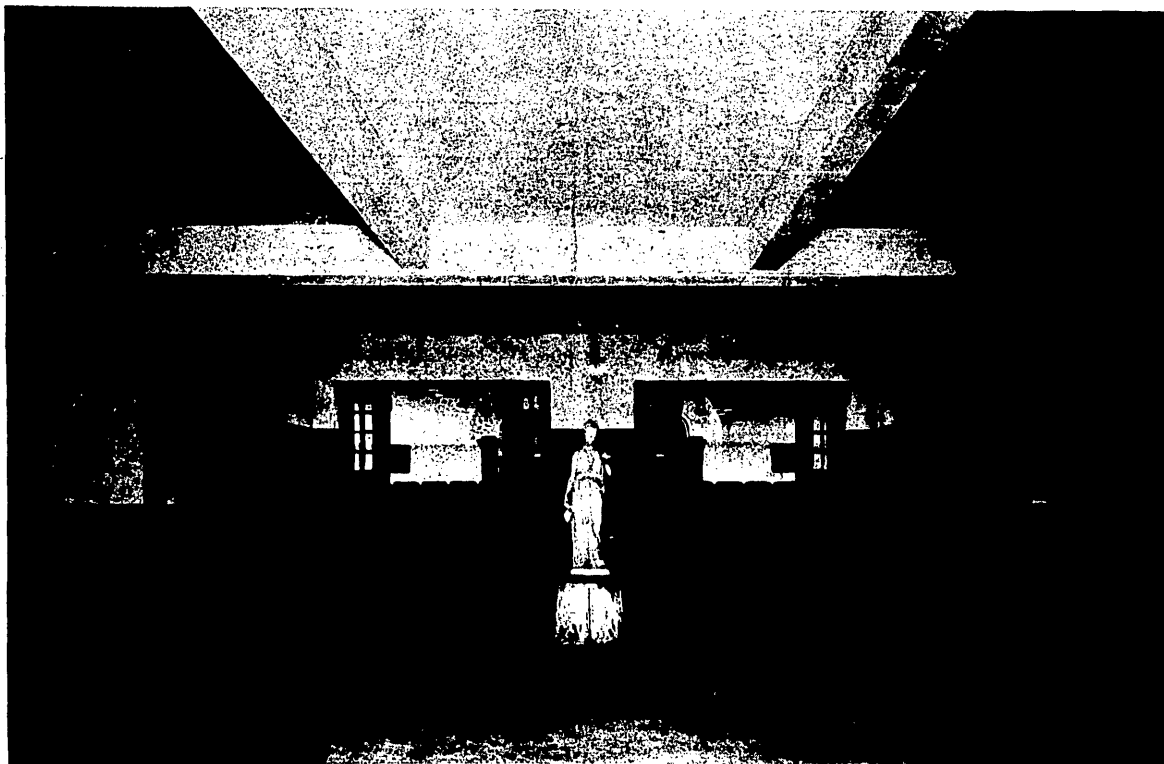

PHILOS GIVE PROGRAM.

At their regular meeting on Thursday evening, November 18, the Philos observed Thanksgiving day by a program suggestive of the season. The meeting was held in the Training School assembly room which was decorated for the occasion. The piano in one corner of the room was surrounded with

AN INTERESTING TRIP

The students who stayed in Maryville over the Thanksgiving vacation went to Conception, Mo., Thursday to visit the Convent and Monastery there.

The company went by rail to Clyde. From this place they walked to the Convent. The most interesting thing seen here was the chapel. Within this

ENTRANCE TO AUDITORIUM ON SECOND FLOOR—GIFT OF CLASS OF 1913 IN FOREGROUND.

ferns and shrubs. The program was begun by a song by Miss Ilene Kemp. The story of the "First Thanksgiving" was read by Miss Blanche Daise. A Thanksgiving reading "How John Quit the Farm," was given by Miss Eula Snowberger. Then came the solution of the part of the program which had puzzled so many students — "A song by a member of the Boys' Choir, Chicago." Travis Pendergrass, who has recently entered the Training School, is a former member of the famous Boy's Choir of the Grace Church, Chicago. The choir was composed of fifty boys and twenty-five men. The soloists were paid from one to five dollars for a solo. However Travis is making a good beginning at N. W. M. N., having already joined the Philomathean Literary Society in the Training School, so the Philos had the pleasure of hearing

(Continued on page four)

chapel may be seen Carara marble from Italy and black Scotland marble. The mosaics were made in Germany and the windows are from Austria.

The Sisters have a new school building. In connection with this they have a printing office in which is located their printing press. It is here that they edit the magazine put out by them.

"Under the Flag," a play, was given at the Abbey, the next place visited. The play was given by the boys of the college. One marked feature was that the players held the audience practically spellbound. It was so intensely interesting and so well given that the audience screamed at the climax. One member of the party said, "It is the best performance I have ever seen given by amateurs."

There is a 640 acre farm in con-

(Continued on page four)

ATHLETICS FOR COMING SEASON

New Rulings — Intercollegiate Basketball Schedule Arranged — Base and Football Plans.

The basketball situation received quite a stimulus this week. The reason for this display of interest lies in the fact that Prof. Walter Hanson has just returned from the meeting of the Missouri Inter-Collegiate Association, held in Kansas City, Friday and Saturday, November 26 and 27.

But this is not all that occurred, either. The basketball and football schedules for 1916 were also arranged and the students fully realize just what is in store for them. They also know that Number Five has her face set championshipwards.

Of course basketball is receiving the greatest amount of interest at present. Maryville will take part in twelve conference games, five being played at home and seven on foreign fields. In addition to the conference games played on the home court, Coach Hanson is arranging a pre-season game with either the Tabor, Highland or Amity College

team to be played about December 16 or 17. He is also attempting to arrange a game with the University of Missouri, which will be played on the trip made, when the home team goes to Central College, Fayette. A complete list of the games is:

Jan. 6 or 7, Central College at Fayette; January 14, Missouri Wesleyan at Maryville; January 19, Missouri Wesleyan at Cameron; January 20, Drury at Springfield; January 21, Springfield Normal at Springfield; January 22, Springfield Normal at Springfield; January 27, William Jewell at Liberty; February 4, William Jewell at Maryville; February 17, Tarkio College at Tarkio; February 25, Westminster at Maryville; February 29, Tarkio College at Maryville.

A ruling was made by the conference whereby all officials for inter-

WHAT OTHERS SAY.

Our Attitude Toward New Students.

There are a number of students in this institution who have never been here before. Possibly some of them have never been away from home before.

They see the old students congregating in groups and greeting one another. This only emphasizes the lonesomeness of the new students. They feel that everyone is acquainted with others, so have no use for them. After that they are in doubt as to what course of action to pursue in enrollment. They do not understand how to find the classrooms nor how to use the library.

It is the duty of the students who have been here before and are acquainted with the institution to render them any assistance possible and make them feel that they are wanted and needed to make the school a success. They should make them welcome in the school activities and convince them that this is now their school home of which they are important members.

The Normal of the Present and What It is Going to Be.

The Maryville Normal is a school of which we should all be proud. For myself I never knew until I began to attend it, what a lively, enthusiastic body of students it contained. They are jolly, wide awake and in for school life in all its phases.

Although the enrollment is not so large as at other Normal schools, yet it has the strength and power back of it which is going to make it one of our standard schools. We have several organizations, of a social nature, and they are all well attended. So in the future, when anyone tries to discourage you by saying, "The Normal is small in numbers," just answer them with the old proverb, "small but mighty." It will take patience and

hard work to increase it to the right proportions, but I know it can be done, if the school keeps progressing as it is now.
—Marie Hopper.

Alumni Notes.

A literary society was organized Wednesday, Nov. 24, at the Prairie View school by the patrons and teacher, Miss Gladys Holt, '15. No definite name has been agreed upon by the society. The society will meet every two weeks. The following were elected officers: Tillie Hornbuckle, president; Pearl Pierce, vice-president; Gladys Holt, secretary; Marvin Curry, treasurer, and Gene Shackelford, sergeant-at-arms.

The program which will be rendered at the next meeting: Song, Dorothea Snoderly and Neva Combs; recitation, Muri Hieronymus; humorous reading, Neva Pence; song, Cletta Trueblood and Ella Zwilling; Indian war dance, first and second grades; vocal duet, Gladys Holt and Oliver Trueblood; debate, "Resolved, that the U. S. on behalf of the nation, should prepare for war." Affirmative, Marion Curry and Pearl Pierce; negative, George Colter and Jim Neal.

After the business meeting plans were discussed for the betterment of the school, such as new screens for the windows, a modern heating plant, and cooking of school lunches.—Maryville Democrat-Forum.

The Tragedy of Indecision.

The tragedy "Hamlet" was discussed by Rev. Gilbert S. Cox in assembly here Tuesday morning, November 16, as an illustration of the tragedy of indecision.

"Many people get their conception of tragedy from the movies, cheap vaudeville or cheap books," said Mr. Cox, "thereby thinking that tragedy means the killing of someone."

"There is a tragedy greater than death," Mr. Cox illustrated this by Saul's tragedy of jealousy, Judas' tragedy of selfishness and sordidness, and Napoleon's of false and burning ambition. "It is best," said he, "to avoid a tragedy of life because in doing so we will avoid the shipwreck we might have."

The idea of a ghost usually brings a smile because it is thought of as a joke. Shakespeare's ghosts were called to mind. They were not made for clowns. However, he had clowns. The ghost in Shakespeare's drama represents a revelation. The spirit world was a hidden mystery at that time. This spirit world revealed something to Hamlet. His father was dead and his mother had married his father's brother. He feared that something had happened. He knew the ghost would tell him the secret. The ghost appeared to what a blunted purpose. Hamlet was left alone to strike the blow. He soliloquized — thus causing a delay.

This delay of indecision caused him to do the wrong thing — to kill the wrong person.

"The tragedy of indecision and delay will come into our lives unless we apply our knowledge and vision and strike the blow."

Second Number of Lecture Course.

Dr. Arthur Walwyn Evans, the famous Welsh wit and humorist, will lecture at the Methodist church on the evening of December 2.

Dr. Evans offers these three lectures: "The Mill and the Millions;" "The Language of Liberty;" "The Lords of the Land." It is not sure which one of these addresses he will deliver. Dr. Evans is a renowned Chautauqua and lyceum speaker and is also pastor of one of the largest

churches in Southern Ohio.

This is the second number of the Maryville Lyceum course and promises to be a good one.

New Officers Elected.

The officers of the Eurekan Literary Society who serve during the winter term were elected November 18. The following people were given offices: Miss Emma Hardin, president; Gerald Shirkey, vice-president; Miss Mary Lewis, secretary; Harold Sawyers, treasurer and Miss Gladys Meadows, sergeant-at-arms. Regular installation ceremonies will be held Thursday, December 2.

The new officers are already at work making plans for the winter's work. This quarter is perhaps the most important one in the year. The annual play is always given sometime during the quarter. February 26, Eurekans meet at the annual banquet, held in the Linville hotel.

They hope to make this quarter an important one in their history.

Thanksgiving Party in Training School.

The pupils of the sixth and seventh grades in the Training School entertained the fourth, fifth and eighth grades and the student teachers and supervisors with a Thanksgiving party, Wednesday afternoon, November 24. The party was given in the west gymnasium which was decorated with ferns and Thanksgiving colors. The favors were turkeys made in the art class.

A dramatization of "The Courtship of Miles Standish" was given by the seventh grade. The sixth grade gave historical dramatizations of the harvest festivals of the Jews, Greeks, Romans, English and Americans.

After the program tea and wafers were served in addition to some sandwiches presented by the members of the foods class, which were a pleasant surprise to the entire group.

The entertainment was given under the direction of Miss Bernice Snelling and Warren Breit with the help of their supervisor, Miss Fannie Hope.

Taffy-Pull.

Even Normal students, serious and grave as they invariably are, may at times with considerable effort, cast off their set of mind so obsessed with psychology and pedagogical problems. This may take place in various and sundry ways. This particular article however is to deal with a social situation in which the agency causing the aforesaid digression took the form of a taffy-pull. It occurred on a recent Saturday night. Miss Edna Dietz was the hostess and certainly created a most effective situation, if pleasurable results may be regarded as a criterion. The taffy pulling interlude was especially interesting and enjoyable. There was pop corn to act as an equalizing agent and well — it was sure a "big time." The guests were Misses Edyth Holt, Mary Lewis, Vella Booth, Blanch Daise, Hazel Wallace and Thelma Roberts, and Lowell Livengood, Henry Miller, Verne Pickens, Warren Breit and Wm. Utter.

MARYVILLE, MISSOURI

The Junior Party.

The Junior class was entertained
Friday, November 19, by the class
sponsors, Miss Mary Boggs, Mr. and
Mrs. Osborn. The rooms were decor-

ated in the Junior colors, yellow and
white. After the guests had arrived
partners were chosen and a sewing so-
ciety was formed. The boys showed
their skill in sewing by making waists
for the girls and the girls made sus-
pender for the boys.

Although it was difficult to decide
the judges awarded Verne Pickens the
prize for the most artistic and finished
product. Gerald Shirkey stood alone
for the booby prize. For the suspend-
ers, Miss Vella Booth received the
booby prize — an exquisitely fragrant

bottle of perfume consisting of equal
parts garlic and asafoetida. An in-
formal musical program was given by
Gerald Shirkey, Harold Staples and Mr.
Osborn. Miss Elizabeth Hoover gave
several readings. After this each one
was given a whole stick of gum from
which twikeys were fashioned. Chaun-
cey Saville was given the prize for the
most life like bird and Miss Vella
Booth again received the booby prize.

The color scheme was carried out in
the refreshments. While the guests
were being served, Miss Boggs gave a
reading.

When you knock your school;
It isn't the school—it's Y-O-U.

New Department for Association.

A department of reading and public
speaking will be placed in the course of
study of the State Teachers' Associa-
tion next year. The addition of this
new department is largely due to the ef-
forts of Harry A. Miller, head of the
department of reading and public
speaking in this institution. Mr. Miller
circulated a petition in behalf of this
phase of education, getting the signa-
tures of more than enough bonafide
members of the association. The peti-
tion was then presented to the execu-
tive committee of the association and
was acted upon favorably.

Pres. Richardson Goes to Altamont.

President Ira Richardson will speak
Friday night, December 3, at the ded-
icatory exercises of the new Altamont
high school. Several other prominent
men of the state will be present and
make addresses.

Miss Anthony Attends Conference.

Miss Hettie Anthony went to Kansas
City Monday, November 28, to attend
a tri-state conference of home econom-
ics teachers from Missouri, Kansas and
Nebraska. Miss Lyford of the United
States department of agriculture had
charge of the meetings which continued
through Tuesday.

Football at Stanberry.

Thanksgiving day there was a thrill-
ing football game between Stanberry
and Maryville. The Normal students
who played were Chauncey Saville,
Fred Lewis and Harry Clayton. Owing
to the strenuous practice and long ex-
perience of some of the members of the
Maryville team, it was a close game.
The score was 21-0 in favor of Stan-
berry.

Because of her illness with tonsilitis,
Miss Iva Barnes was forced to leave
for her home in Bolekow, Monday, Nov-
ember 22.

Miss Merle Scarborough spent
Thanksgiving with friends in Stan-
berry.

nection with both the Monastery and the Convent. The farm at the Monastery with its gardens, athletic grounds, barns and large dairy was very interesting. The farm at the Convent is managed entirely by the Sisters who have only a little hired help.

The company walked back to Conception and spent the rest of their time eating weiners which they roasted in the depot stove.

Those in the party were: Misses Enola White, Hermia Street, Ica B. Street, Messrs. Robert Venable, Ozer Murry and Mr. and Mrs. Osborn.

PHILOS GIVE PROGRAM.

(Continued from page one)

him sing three songs absolutely free of charge.

The program was closed with "John Alden's Proposal for Miles Standish." The fire place with the old iron kettle hanging over the fire, and the candles on the mantel-piece, formed a suitable background for Priscilla as she sat reading her Bible and dreaming of the past. Her reverie was interrupted by the entrance of John Alden wearing a

black cape and a large Puritan collar and tie. It is needless to mention that the maiden's answer "Why don't you speak for yourself, John!" brought a hearty burst of applause. The part of Priscilla was taken by Miss Nancy Gustin and John Alden by William Utter. After the program, pop corn was served. Many of the faculty members were present in response to a special invitation from the society.

R. A. Kinnaird Judges Corn Shows.

R. A. Kinnaird is in great demand now as a judge of corn shows. Thursday November 25, he was judge at Savannah. Wednesday, December 1, he judged a corn exhibit in Mound City and he is wanted as a judge of the Rosendale corn show, Friday, December 3.

Dean and Mrs. Colbert Entertain.

Dean and Mrs. George H. Colbert entertained several of the faculty members and their wives with a Thanksgiving dinner, November 25. Those present were: Mr. and Mrs. Henry Foster, Mr. and Mrs. S. E. Davis, Mr. and Mrs. Walter Hanson and Mr. and Mrs. W. A. Rickenbrode.

Hum Drum Tea.

The Hum Drum club entertained the Normal girls who spent Thanksgiving in Maryville, the ladies of the faculty and the faculty wives at an afternoon tea given Friday, November 26. The tea was given in the parlors of the Linville Hotel from three to four. The rooms were decorated in ferns and pink chrysanthemums. The tea table was decorated with ferns and green candles in crystal holders which were tied with pink tulle bows.

Those assisting the hostesses were: Misses Katherine Carpenter, Mary Lewis and Vella Booth.

Man is like a kerosene lamp: not overly bright; sometimes turned down; usually smokes, and frequently goes out, — at night.

Home Destroyed by Fire.

Miss Elizabeth Hoover left Saturday November 20, to spend Thanksgiving at her home near Trenton. During her visit, her home caught fire and was seriously damaged. The entire upper story was destroyed.

Athletics for Coming Season.

(Continued from page one)

collegiate games will be selected by a committee taking the matter entirely out of the hands of the coaches.

The Senior class athletes in each school in the conference, who makes the highest average grade, will be awarded a trophy by the association. The athlete must make his letter in one of the four major sports, baseball, football, basketball or track. This step is taken to improve the scholarship of athletes.

A ruling was made by the conference which eliminates the Missouri Wesleyan and William Jewell courts. It is the enforcement of basketball rule which says that the minimum size of the court must be 30 feet wide, 55 feet long and 15 feet high. Maryville's court meets these requirements. William Jewell and Missouri Wesleyan will probably play their home games on the K. C. A. C. court in Kansas City. This will give visiting teams a better opportunity to compete, since the two courts, eliminated, have long been a serious handicap to visitors.

The baseball schedule for 1916 is: April 7, Conception College at Maryville (non-conference game); April 13, Missouri Wesleyan at Cameron; April 14, William Jewell at Liberty; April 21, Tarkio College at Tarkio; April 28, Springfield Normal at Maryville; May 3, Tarkio College at Maryville; May 8, Conception at Conception (non-conference game); May 12, William Jewell at Maryville; May 17, Missouri Wesleyan at Maryville.

If a game can be arranged with Missouri University, the baseball team will play at Columbia, Central at Fayette, Missouri Valley at Marshall, and Kirksville Normal at Kirksville on one trip. The latter three will be conference games.

The football schedule is: Oct. 6, Westminster at Fulton or Maryville; Oct. 20, Missouri Wesleyan at Cameron or Maryville; Nov. 30, Tarkio College at Maryville.

It is hoped that the Tarkio-Maryville Thanksgiving game will be an annual affair. A game will also be arranged with Omaha University.
